Subject Index*

A

Abdominal pain
Thrombosis of mitral valve prosthesis presenting as abdominal pain (Mylonakis et al). 1999;28:110-3

Activity cycles
Effects of age on activity patterns after coronary artery bypass surgery (Redeker and Wykpisz). 1999;28:5-14

Acute disease
Anorexia in response to acute illness (Lennie). 1999;28:386-401

Adaptation, psychological
Adaptation after treatment for heart disease: preliminary examination within a stress appraisal context (Delunas and Potempa). 1999;28:186-94
Becoming a patient with heart failure (Stull et al). 1999;28:284-92
Factors associated with outcomes 3 months after implantable cardioverter defibrillator insertion (Dunbar et al). 1999;28:303-15
Social comparisons and temporal comparisons after coronary artery surgery (King et al). 1999;28:316-25

Age factors
Effects of age on activity patterns after coronary artery bypass surgery (Redeker and Wykpisz). 1999;28:5-14

Aged
The meaning of hospital care, as narrated by elderly patients with chronic heart failure (Ekman et al). 1999;28:203-9

Allergy, drug; *see* Drug hypersensitivity

American Chinese patients; *see* Asian Americans

Angiography
Gender differences in fears related to coronary arteriography (Heikkilä et al). 1999;28:20-30

Angioplasty, transluminal
Prediction of functional and psychological status after percutaneous transluminal coronary angioplasty (Tooth et al). 1999;28:276-83

Angiotensin-converting enzyme inhibitors
Current and novel pharmacologic approaches in advanced heart failure (O'Connor et al). 1999;28:227-42

Anorexia
Anorexia in response to acute illness (Lennie). 1999;28:386-401

Anxiety
Effect of cardiopulmonary resuscitation training for parents of high-risk neonates on perceived anxiety, control, and burden (Moser et al). 1999;28:326-33

Arrhythmia
Changes in health status and quality of life and the impact of uncertainty in patients who survive life-threatening arrhythmias (Carroll et al). 1999;28:251-60

Arthritis, infectious
Streptococcus pneumoniae septic arthritis and osteomyelitis in an HIV-seropositive patient (Oliker and Cunha). 1999;28:74-6

Asian Americans
Comparisons of American-Chinese and Taiwanese patients' perceptions of dyspnea and helpful nursing actions during the intensive care unit transition from cardiac surgery (Shih and Chu). 1999;28:41-54

B

Bacteremia
Ochrobactrum anthropi bacteremia (Ielveh et al). 1999;28:145-6
Serratia marcescens bacteremia after carotid endarterectomy and coronary artery bypass grafting (Demetriou and Cunha). 1999;28:293-4

Bigeminal tachycardia; *see* Tachycardia

C

Cardiac *entries*; *see* Heart *entries*

Cardiopulmonary resuscitation
Effect of cardiopulmonary resuscitation training for parents of high-risk neonates on perceived anxiety, control, and burden (Moser et al). 1999;28:326-33

Carotid endarterectomy; *see* Endarterectomy, carotid

Catheterization
Intradermal normal saline solution, self-selected music, and insertion difficulty effects on intravenous insertion pain (Jacobson). 1999;28:114-22

Chest pain
A community hospital's effort to expedite treatment for patients with chest pain (Griffin et al). 1999;28:402-8
An evaluation of facial expression displayed by patients with chest pain (Dalton et al). 1999;28:168-74

Chlorofluorocarbons; *see* Fluorocarbons

Cholesterol
Changes in cholesterol levels in women after coronary artery bypass surgery (Allen). 1999;28:270-5

Chronic obstructive pulmonary disease; *see* Lung diseases, obstructive

Circadian rhythm
Effects of age on activity patterns after coronary artery bypass surgery (Redeker and Wykpisz). 1999;28:5-14

Community hospitals; *see* Hospitals, community

Complications
Nursing challenge: caring for a patient with complex, multiple complications (Peterson and Hall). 1999;28:373-6

Complications, postoperative; *see* Postoperative complications

Computers
Y2K: effects on pacemaker and implantable defibrillator programmers (Flynn et al). 1999;28:380-5
Y2K: need for health care professionals to be responsible and prepared (Gardner). 1999;28:377-9

Coronary angioplasty
Quality of life comparisons after coronary angioplasty and coronary artery bypass graft surgery (Skaggs and Yates). 1999;28:409-17

Coronary artery bypass
Changes in cholesterol levels in women after coronary artery bypass surgery (Allen). 1999;28:270-5
Effects of age on activity patterns after coronary artery bypass surgery (Redeker and Wykpisz). 1999;28:5-14
Quality of life comparisons after coronary angioplasty and coronary artery bypass graft surgery (Skaggs and Yates). 1999;28:409-17
Readmission of patients after coronary artery bypass graft surgery (Sabourin and Funk). 1999;28:243-50
Serratia marcescens bacteremia after carotid endarterectomy and coronary artery bypass grafting (Demetriou and Cunha). 1999;28:293-4

Coronary care units
Frequency of silent myocardial ischemia with 12-lead ST segment monitoring in the coronary care unit: are there sex-related differences? (Adams et al). 1999;28:81-6

Coronary disease
Gender differences in fears related to coronary arteriography (Heikkilä et al). 1999;28:20-30

*January/February, pp. 1-80; March/April, pp. 81-148; May/June, pp. 149-226; July/August, pp. 227-302; September/October, pp. 303-376; November/December, pp. 377-468.

Social comparisons and temporal comparisons after coronary artery surgery (King et al). 1999;28:316-25

Correspondence
Letters to the editors. 1999;28:79-80, 147-8, 226

Costs and cost analysis
Cost of hospitalizations for heart failure: sodium retention versus other decompensating factors (Bennett et al). 1999;28:102-9

D

Defibrillators, implantable
Factors associated with outcomes 3 months after implantable cardioverter defibrillator insertion (Dunbar et al). 1999;28:303-15
Y2K: effects on pacemaker and implantable defibrillator programmers (Flynn et al). 1999;28:380-5

Diagnosis
Pulmonary embolism presenting as syncope: case report and review of the literature (Koutkia and Wachtel). 1999;28:342-7
Symptom experiences of lung transplant recipients: comparisons across gender, pretransplantation diagnosis, and type of transplantation (Lanuza et al). 1999;28:429-37

Digoxin
Current and novel pharmacologic approaches in advanced heart failure (O'Connor et al). 1999;28:227-42

Diuretics
Current and novel pharmacologic approaches in advanced heart failure (O'Connor et al). 1999;28:227-42

Drug hypersensitivity
Allergy to protamine sulfate (Porsche and Brenner). 1999;28:418-28

Drug therapy
Current and novel pharmacologic approaches in advanced heart failure (O'Connor et al). 1999;28:227-42

Dyspnea
Comparisons of American-Chinese and Taiwanese patients' perceptions of dyspnea and helpful nursing actions during the intensive care unit transition from cardiac surgery (Shih and Chu). 1999;28:41-54
Dyspnea in patients with chronic obstructive pulmonary disease: does dyspnea worsen longitudinally in the presence of declining lung function? (Lareau et al). 1999;28:65-73

E

Editorials
Guest editorials. 1999;28:377-9, 380-5

Education
Effect of cardiopulmonary resuscitation training for parents of high-risk neonates on perceived anxiety, control, and burden (Moser et al). 1999;28:326-33

Elderly; *see* Aged

Electrocardiography
Frequency of silent myocardial ischemia with 12-lead ST segment monitoring in the coronary care unit: are there sex-related differences? (Adams et al). 1999;28:81-6
Trigeminal quadrigeminy (Abhayaratna and Nikolic). 1999;28:222-3

Emphysema
New hope for patients with emphysema: lung volume reduction surgery (Baker and Flynn). 1999;28:455-8

Endarterectomy, carotid
Serratia marcescens bacteremia after carotid endarterectomy and coronary artery bypass grafting (Demetriou and Cunha). 1999;28:293-4

Exercise test
Is nurse-supervised exercise stress testing safe practice? (Zecchin et al). 1999;28:175-85

F

Facial expression
An evaluation of facial expression displayed by patients with chest pain (Dalton et al). 1999;28:168-74

Family
Patients' and family members' perceptions of transfer from intensive care (Leith). 1999;28:210-8

Fasciitis
Group A streptococcal necrotizing fasciitis of the psoas muscle (Anderson and Cunha). 1999;28:219-21

Fear
Gender differences in fears related to coronary arteriography (Heikkilä et al). 1999;28:20-30

Fluorocarbons
Respiratory Nursing Society position statement on development of non-chlorofluorocarbon metered dose inhalers (Gift). 1999;28:224-5

G

Gender; *see* Sex

Group A streptococcus; *see Streptococcus pyogenes*

Guest editorials
Guest editorials. 1999;28:377-9, 380-5

Guidelines
Nursing strategies for smoking cessation (Lindell and Reinke). 1999;28:295-302

H

Health personnel
Y2K: need for health care professionals to be responsible and prepared (Gardner). 1999;28:377-9

Health status
Changes in health status and quality of life and the impact of uncertainty in patients who survive life-threatening arrhythmias (Carroll et al). 1999;28:251-60
Prediction of functional and psychological status after percutaneous transluminal coronary angioplasty (Tooth et al). 1999;28:276-83

Heart diseases
Adaptation after treatment for heart disease: preliminary examination within a stress appraisal context (Delunas and Potempa). 1999;28:186-94
Evaluation of a nurse-delivered smoking cessation intervention for hospitalized patients with cardiac disease (Johnson et al). 1999;28:55-64

Heart failure, congestive
Becoming a patient with heart failure (Stull et al). 1999;28:284-92
Cost of hospitalizations for heart failure: sodium retention versus other decompensating factors (Bennett et al). 1999;28:102-9
Current and novel pharmacologic approaches in advanced heart failure (O'Connor et al). 1999;28:227-42
Factors influencing patient compliance with therapeutic regimens in chronic heart failure: a critical incident technique analysis (Strömberg et al). 1999;28:334-41
The meaning of hospital care, as narrated by elderly patients with chronic heart failure (Ekman et al). 1999;28:203-9
The pathophysiology of advanced heart failure (Baig et al). 1999;28:87-101
Perceived learning needs of patients with heart failure (Wehby and Brenner). 1999;28:31-40

Heart surgery
Comparisons of American-Chinese and Taiwanese patients' perceptions of dyspnea and helpful nursing actions during the intensive care unit transition from cardiac surgery (Shih and Chu). 1999;28:41-54

Heart valve prosthesis
Thrombosis of mitral valve prosthesis presenting as abdominal pain (Mylonakis et al). 1999;28:110-3

HIV seropositivity
Streptococcus pneumoniae septic arthritis and osteomyelitis in an HIV-seropositive patient (Oliker and Cunha). 1999;28:74-6

Hospitalization
Cost of hospitalizations for heart failure: sodium retention versus other decompensating factors (Bennett et al). 1999;28:102-9
The meaning of hospital care, as narrated by elderly patients with chronic heart failure (Ekman et al). 1999;28:203-9

Hospitals, community
A community hospital's effort to expedite treatment for patients with chest pain (Griffin et al). 1999;28:402-8
Stenotrophomonas maltophilia infection and colonization in the intensive care units of two community hospitals: a study of 143 patients (Gopalakrishnan et al). 1999;28:134-41

Hostility
Adaptation after treatment for heart disease: preliminary examination within a stress appraisal context (Delunas and Potempa). 1999;28:186-94

I

Implantable cardioverter defibrillators; *see* Defibrillators, implantable

Infant, newborn
Effect of cardiopulmonary resuscitation training for parents of high-risk neonates on perceived anxiety, control, and burden (Moser et al). 1999;28:326-33

Infection
Stenotrophomonas maltophilia infection and colonization in the intensive care units of two community hospitals: a study of 143 patients (Gopalakrishnan et al). 1999;28:134-41

Injections, intradermal
Intradermal normal saline solution, self-selected music, and insertion difficulty effects on intravenous insertion pain (Jacobson). 1999;28:114-22

Intensive care units
Comparisons of American-Chinese and Taiwanese patients' perceptions of dyspnea and helpful nursing actions during the intensive care unit transition from cardiac surgery (Shih and Chu). 1999;28:41-54
Monitoring neuromuscular blockade in the ICU: the peripheral nerve stimulator (Rowlee). 1999;28:352-64
Patients' and family members' perceptions of transfer from intensive care (Leith). 1999;28:210-8
Reducing readmissions to the intensive care unit (Russell). 1999;28:365-72
Stenotrophomonas maltophilia infection and colonization in the intensive care units of two community hospitals: a study of 143 patients (Gopalakrishnan et al). 1999;28:134-41

Intra-aortic balloon pumping
Intra-aortic balloon pump complications: a five-year retrospective study of 283 patients (Cook et al). 1999;28:195-202

Ischemia
Frequency of silent myocardial ischemia with 12-lead ST segment monitoring in the coronary care unit: are there sex-related differences? (Adams et al). 1999;28:81-6

L

Learning
Perceived learning needs of patients with heart failure (Wehby and Brenner). 1999;28:31-40

Letters
Letters to the editors. 1999;28:79-80, 147-8, 226

Lung, physiology
Dyspnea in patients with chronic obstructive pulmonary disease: does dyspnea worsen longitudinally in the presence of declining lung function? (Lareau et al). 1999;28:65-73

Lung diseases
Nursing challenge: caring for a patient with complex, multiple complications (Peterson and Hall). 1999;28:373-6
Respiratory Nursing Society position statement on long-term oxygen therapy (Gift). 1999;28:142-4

Lung diseases, obstructive
Dyspnea in patients with chronic obstructive pulmonary disease: does dyspnea worsen longitudinally in the presence of declining lung function? (Lareau et al). 1999;28:65-73

Lung transplantation
Symptom experiences of lung transplant recipients: comparisons across gender, pretransplantation diagnosis, and type of transplantation (Lanuza et al). 1999;28:429-37

Lung volume measurements
New hope for patients with emphysema: lung volume reduction surgery (Baker and Flynn). 1999;28:455-8
